NEW!

YOU ASKED FOR IT, and HERE IT IS!

For years our customers have been asking us for the parts and accessory items they need when restoring their Dodge or Plymouth muscle car. So we have added a "Parts & Accessories" section to our catalog with a collection of clips, screws, moldings, lock sets, emblems and more to help you finish your project. This new section starts on Page 51.

"A" Body

With light weight bodies and hot motors, A-Body Dodge and Plymouth muscle cars quickly became favorites. The 273, 318, 340, and 360 engines are the stuff of legend today, and Chrysler's unique slant-six has to be the unchallenged king of inline six cylinder engines. Add these great engines to stylish body designs, low initial purchase price, and available factory graphics and it's easy to see why these cars were so popular. Today you can get top quality Chrysler-licensed reproduction body panels for your A-Body, from the restoration professionals at Auto Metal Direct. *Call now!*

"B" Body

Back in the day, whenever you heard the unmistakable rumble of a big-block Mopar engine on the road, there was a very good chance it would be a B-Body muscle car, whether a Charger, Roadrunner, Super Bee, GTX, or Coronet RT.

Today muscle car enthusiasts worship these special cars *(as you often see reflected in prices on the auction block!)*, but for many years it has been tough to find good quality body parts. Here at Auto Metal Direct we REALLY know Mopar cars inside and out. Check out the parts on the following pages!

Some items listed below are not shown in the exploded view on the previous page.

#	Part Description	#
100	Front Bumper	17
101	Bumper Bolt Set	17
105	Front Bumper Bracket Set	17

Replace the rusted, bent, or missing original Hood on your Charger, Roadrunner, GTX, or Satellite, with these beautiful brand-new top-quality reproduction Hoods from craftsmen who really know Dodge and Plymouth muscle car sheet metal.

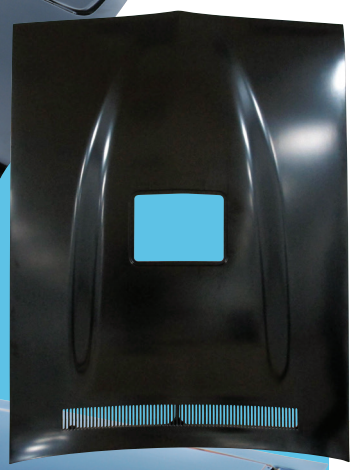

300-2668

Hoods

A brand new Steel Hood is the only way to go!

Eliminate the rust, dents, body-filler, and hood scoop holes found in old worn B-Body hoods with a brand new steel factory-style Hood from Auto Metal Direct. All underside bracing and brackets are faithful reproductions of originals, and are manufactured on our own steel tools. Fully coated with EDP, these gorgeous hoods will look great on your car for a very long time.

Deck Lids

Did you know that there were ***several different deck lid configurations for Challengers and Barracudas?*** So why settle for a *"one-style-fits-all"* replacement? Here at Auto Metal Direct, we've gone the extra mile to produce the finest E-Body deck lids on the market, and **we offer five different deck lid configurations**. Call and order the *correct* deck lid for your E-Body today!

850) Deck Lid

Challenger

70-74	without Spoiler Holes	850-2570-1	499.99
70-71	with Spoiler Holes	850-2570-2	499.99

Barracuda

70-74	without Spoiler Holes	850-1570-1	499.99
1970	with Spoiler Holes	850-1570-2	499.99
1971	with Spoiler Holes	850-1571	499.99

Don't waste time and money trying to fix an inferior quality piece. Do it right the first time. AMD deck lids are the smart choice.

Parts & Accessories

See our new line of AMD Apparel on Page 66!

YOU ASKED FOR IT, and HERE IT IS!

For years our customers have been asking us for the parts and accessory items they need when restoring their Dodge or Plymouth muscle car.

Welcome to the all-new Parts and Accessories section of the AMD catalog.

This just makes good sense. After all, when we ship your sheet metal body parts to you, they arrive in a large cardboard box, which hast LOTS of empty space inside. When we fill those empty spaces in the box, there is normally no extra shipping cost! You can save big, while getting all the parts you need to finish that restoration project!

So, go ahead! Look through the following pages filled with our terrific selection of premium quality parts and accessories for your favorite Dodge or Plymouth muscle car. Then, when you find everything you need, just place your order online, call our order desk, or use an order form and send it through the mail. Or…perhaps you would rather call our friendly and experienced Dodge/Plymouth parts experts, and let them help you through the simple ordering process.

Sheet Metal Patch

19 gauge. Can be used to patch any part or form any shape.

Ordering

First, double-check your order before contacting us Make sure you didn't miss that extra tail light bracket or support that you needed, and then give us a call. Ordering everything at once can save you a lot on shipping. Call us to place your order toll free at (866) 591-8309, mail in your order form, fax your order to (770) 692-6360, or email us at **sales@autometaldirect.com.**

Mail in orders should be sent to:
940 Sherwin Parkway, Suite 180
Buford, GA 30518

Prices

Due to unforeseeable price increases associated with manufacturing, all prices are subject to change without prior notification. Call to ensure up-to-date pricing and to check product availability. The pricing in this catalog supersedes any previous publication.

Payment

We accept MasterCard, Visa, American Express, and Discover. We also accept payment via money order, cashiers check, or personal check. AMD reserves the right to hold orders paying by personal check for 3-5 days to allow for clearance. Sorry, we cannot ship any orders COD.

Shipping

We ship small parcels via FedEx Ground. FedEx Next-Day Air and 2nd Day Air also available. Please ask your sales representative if you would like a faster service than ground. AMD will charge you actual shipping rates established by FedEx Ground. We do not have a standardized shipping schedule based on order size. We are able to send FedEx orders into Canada.

Orders too large to ship by FedEx (Hoods, Fenders, Full Floors, etc.) will be shipped via Truck Freight. The truck freight carrier will be determined at the time of shipping. We can ship your order to your house, but truck freight fees for orders sent to a business located in a zoned commercial area are substantially lower. As with FedEx, we do not have a standardized shipping schedule based on size or location. Please call us for a shipping quote prior to ordering.

Damages

You must inspect all truck freight shipments for damage at the time of delivery! If your shipment contains damage, please mark 'Damaged' on the freight bill and call us immediately at 866-591-8309. You MUST sign the freight bill as damaged in order for us to help you file a claim with the truck carrier! If you sign the freight bill free of damage, AMD and the delivering truck company are not responsible for damages.

Additional Boxing Fees

Due to the fragile nature of glass, we have gone the extra mile in packaging orders that contain glass kits and individual pieces. The following charges will be added to glass orders. This fee is to cover the cost of the protective packaging and will be added to the actual shipping fee.

Windshield/Back Glass	Add $30.00
Complete Glass Kit	Add $50.00

Returns

You may return any unused, undamaged, and resalable part in its original packaging for exchange credit or refund up to 6 months after purchase. Orders approved after 6 months are subject to a 15% restocking fee. **All returns must have prior approval before returning them to us.** Shipping fees that are incurred from returning any part to us is your responsibility. Finally, if the return shipment is damaged in transit, you are responsible for filing the claim with the carrier.

All AMD items are made on our own steel tools.

Parts Guarantee

All AMD products are guaranteed to be free from defects in material and workmanship. Test fit all parts before sanding, priming, or painting them. If we deem your part defective, our responsibility is to replace the part, issue credit, or refund the original purchase price. We are not responsible for any paint or labor expenses. The credit or refund amount will not exceed the defective parts original purchase price.

Backorders

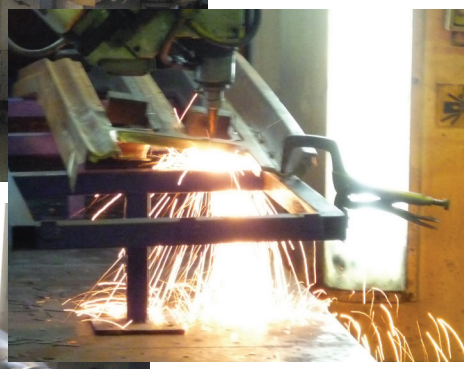

Any items not available at the time the order is placed will be put on backorder. All backordered parts that ship after the original shipment will be subject to additional shipping fees. Backorders will not be shipped without your prior authorization. Please let us know if you do not wish to receive backorders.

Production

Manufacturing automotive body panels has been our primary business for a long time. Our success in this very-demanding market can be attributed to our attention to quality control, our reputation for on-time delivery, and our effective system of cost-efficiency.

This enduring program has resulted in very satisfied clients. And that is our simple business philosophy.

Warehouse

Our huge new warehouse is jammed full of beautiful new sheet metal panels for Dodge and Plymouth muscle cars. If you live in the southeastern US, why not come on by and pick up your body panels in person? Save those shipping dollars to buy parts you'll need to finish your car!
