NEW ARRIVALS

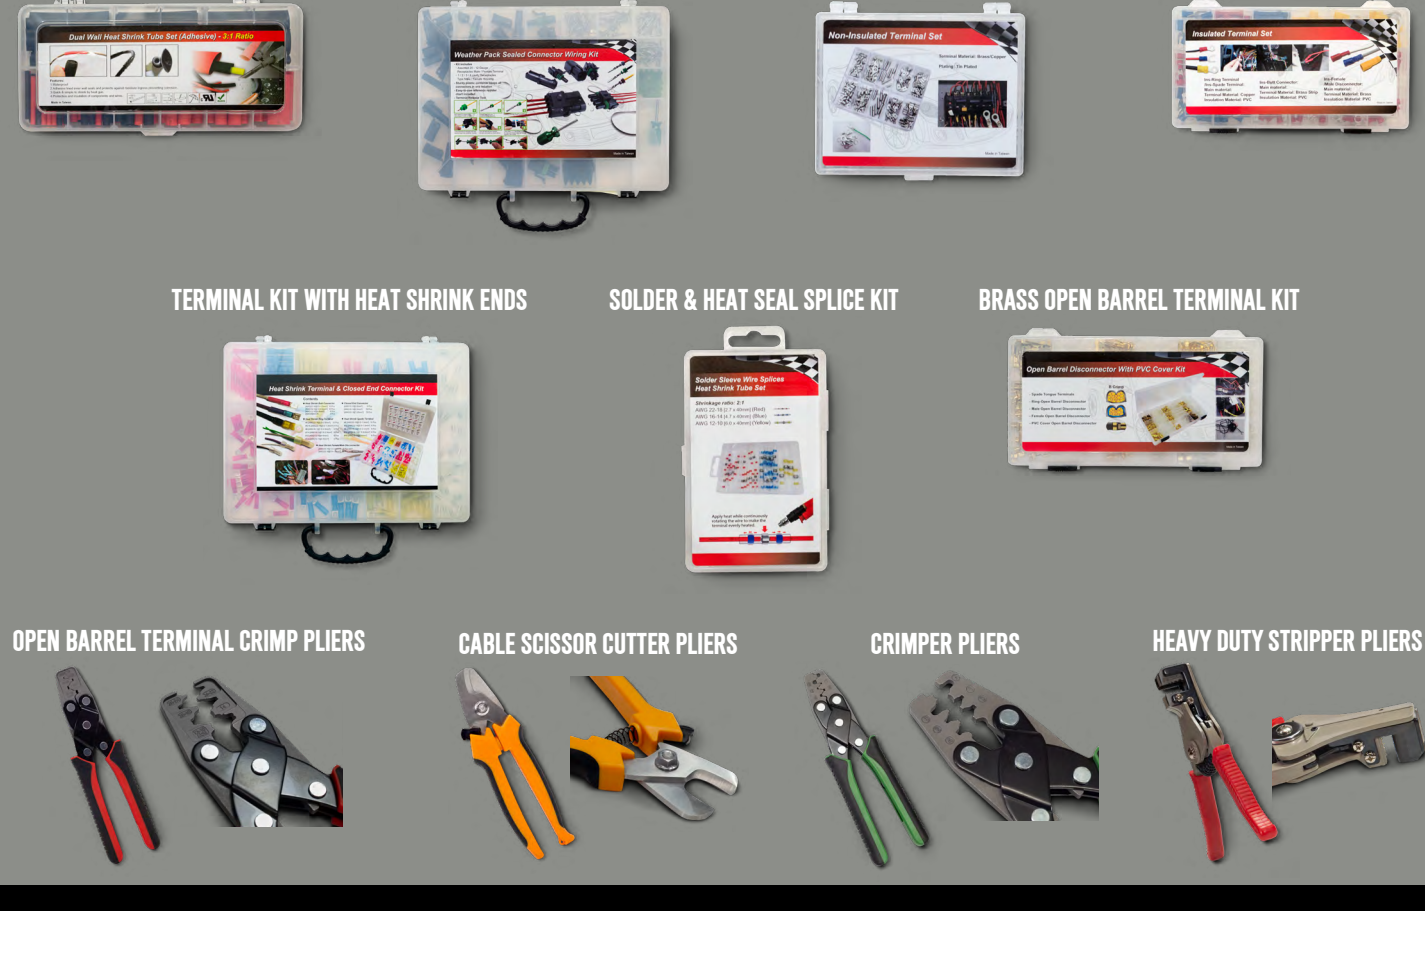

WIRING ACCESSORIES & TOOLS

Everything you need to build your electrical system

Connections are everything when it comes to electrical systems. To complete any wiring job, you need quality electrical connectors, heat shrink kits, and the proper tools. PerTronix is your one stop wiring supplier with an enriched line of wiring accessories and tools to complement our Ignition products and ensure reliability and maximum current flow to all of your electrical systems.

ALL PRODUCTS ARE IN STOCK AND READY TO SHIP!

DUAL WALL HEAT SHRINK TUBE KIT

- Dual Wall Shrink Tube (waterproof)
- Tube Sizes from 1/8" to 1"
- Material: Polyolefin (Red and Black)
- Temperature rated at -45° C to 125° C (-49° to 257° F)
- Shrink temperature: Start at 70° C (158° F) - Complete Shrink at 120° C (248° F)
- Shrink Ratio 3:1
- Max Electrical Rating: 600 volts

Part #	RAP	SRP	Description	UPC	Width	Height	Depth	Weight	UOM
A2010	\$22.95	\$25.25	Dual Wall Heat Shrink Tube Kit	694342554767	4.8"	1.5"	10.8"	.59	Each

WEATHER PACK CONNECTOR KIT

- Weatherproof housings made of Nylon plastic and impact resistance
- Connector has locking mechanism that align terminal and seal
- Positive Snap Lock action with secondary locking for terminal retention
- Indexed to prevent mis-matching
- Temperature rated at -40° C to 120° C (-40° to 248° F)
- Terminals are brass and tin treated
- Includes pin removal tool
- Wire sizes from 12-20 AWG
- Silicon seals in green and blue for different gauge wire

Part #	RAP	SRP	Description	UPC	Width	Height	Depth	Weight	UOM
A2030	\$54.95	\$60.45	Weather Pack Connector Kit	694342554774	11.5"	1.5"	12.2"	1.8	Each

NON-INSULATED TERMINAL KIT

- Material for Ring and Spade Terminals: Tin Plated Copper
- Material for Butt and Female/Male Connectors: Tin Plated Brass
- High-strength, conductive terminals for applications where insulation is not needed
- Wire sizes from 14 - 22 AWG

Part #	RAP	SRP	Description	UPC	Width	Height	Depth	Weight	UOM
A2031	\$11.95	\$13.15	Non-Insulated Terminal Kit	694342554791	4.0"	1.0"	4.8"	1.0	Each

INSULATED TERMINAL KIT

- PVC Insulated Terminals
- Temperature Rated -10° C to 105° C (-14° to 221° F)
- Supplied in industry standard, Red, Blue, Yellow colors
- Wires sizes from 10-22 AWG
- Spade (Male & Female, Butt, and Ring Lug Terminals)

Part #	RAP	SRP	Description	UPC	Width	Height	Depth	Weight	UOM
A2030	\$14.95	\$16.45	Insulated Terminal Kit	694342554804	4.5"	1.3"	8.0"	.51	Each

TERMINAL KIT WITH HEAT SHRINK ENDS

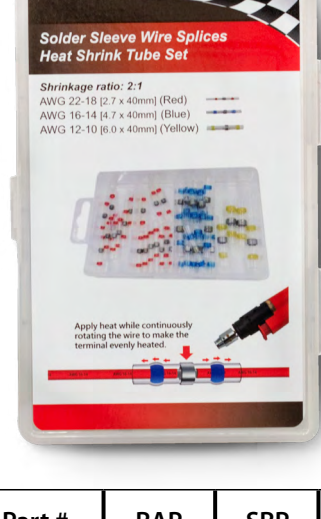

- 165 pieces
- Polyethylene insulation (PE) with Copper Terminal Material
- Shrink Temperature at 150° C (302° F)
- Operating Temperature at -1° C to 105° C (-14° to 221° F)
- Shrink Ratio 3:1
- Wire sizes from 10 - 22 AWG
- Waterproof

Part #	RAP	SRP	Description	UPC	Width	Height	Depth	Weight	UOM
A2011	\$44.95	\$49.45	Terminal Kit with Heat Shrink Ends	694342554828	11.5"	1.5"	12.0"	1.70	Each

SOLDER & HEAT SEAL SPLICE KIT

- Polyethylene insulation (PE) with Copper Terminal Material
- Temperature rated at -40° C to 105° C (-40° to 221° F)
- Minimum Shrink Temperature: 60° C to 105° (140° F)
- Starting Temperature of Soldering Melt: 115° C (239° F)
- Wire Size from 10-26 AWG
- Shrink Ratio 2:1

Part #	RAP	SRP	Description	UPC	Width	Height	Depth	Weight	UOM
A2012	\$24.95	\$27.45	Solder & Heat Seal Splice Kit	694342554791	4.0"	1.0"	4.8"	1.0	Each

BRASS OPEN BARREL TERMINAL KIT

- Terminal Material: Brass Finish
- Insulation Material: PVC Clear
- Wire sizes from 12 - 22 AWG

[View Product Page](#)

Part #	RAP	SRP	Description	UPC	Width	Height	Depth	Weight	UOM
A2032	\$24.95	\$27.45	Brass Open Barrel Terminal Kit	694342554835	4.5"	1.3"	8.0"	.61	Each

OPEN BARREL TERMINAL CRIMP PLIERS

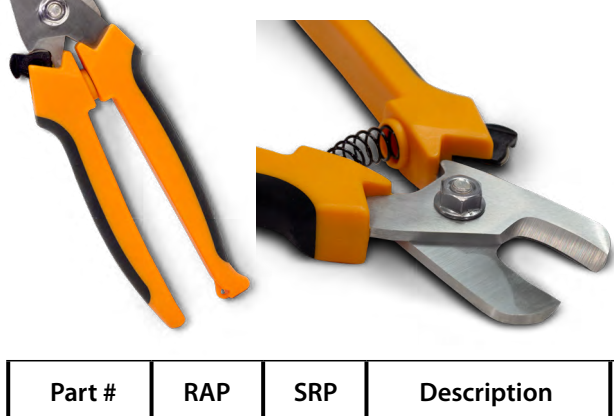

- Thermal Plastic Handles
- Easy to Use
- For Use with Open Barrel Terminals
- Crimps AWG 26 - 10 Gauge Terminals

[View Product Page](#)

Part #	RAP	SRP	Description	UPC	Width	Height	Depth	Weight	UOM
T3007	\$26.95	\$29.65	Open Barrel Terminal Crimp Pliers	694342554842	4.5"	.86"	10.7"	.73	Each

CABLE SCISSOR CUTTER PLIERS

- Thermal Plastic Handles
- Cuts up to 1.5 inch cable
- Precision ground, hardened blades suitable for cutting copper and aluminium on single and multiple strand cables
- Adjustable screw joint and safety lock
- Clean and smooth cut without crushing or deformation

[View Product Page](#)

Part #	RAP	SRP	Description	UPC	Width	Height	Depth	Weight	UOM
T3002	\$12.95	\$14.25	Cable Scissor Cutter Pliers	694342554859	3.7"	.8"	11.5"	.66	Each

CRIMPER PLIERS

- Thermal Plastic Handles
- Easy to Use
- For use with Delphi Weather Pack and Seals
- Crimps AWG 22 - 12 Gauge Terminals

[View Product Page](#)

Part #	RAP	SRP	Description	UPC	Width	Height	Depth	Weight	UOM
T3006	\$24.95	\$27.45	Crimper Pliers	694342554866	11.5"	.8"	10.7"	.72	Each

HEAVY DUTY STRIPPER PLIERS

- Grip and Strip with single action squeezing motion
- Tension Loaded Grip holds wire in place
- No damaging or fraying of the wires
- Strips 8 - 18 AWG wires
- Includes bolt-on depth adjustment guide for consistent and reliable strip length
