

TROUBLE SHOOTING GUIDE

Talk to Powermaster if you have questions or problems and need help.

Call 800-862-7223 and ask for the Tech Department

If you have problems with installation that can't be solved by reading and following the instructions

- Leave the part on your vehicle
- Take some pictures of the installation/wiring/hookup with your cell phone in case you need to send them to Powermaster while troubleshooting
- Call Powermaster at 800-862-7223 and ask for the Tech Department
- Solve the problem with them on the phone
- Email them pictures, if needed, so they can see what you are doing. Include your name and phone number so they can call you back if needed
